Part II: Purpose and Mechanics

SB 103 creates a new section of KRS Chapter 186 to establish a new National Rifle Association special license plate. County Clerks will issue both the initial and renewal license plates upon voluntary application and will receive fees for associated administrative duties.

Part III: Fiscal Explanation, Bill Provisions, and Estimated Cost

The fiscal impact of SB 103 for any particular County Clerk issuing a National Rifle Association special license plate is expected to be minimal.

County Clerks receive the standard \$6 fee for issuing a certificate of registration and under KRS 186.040(6) an additional \$3 per registration, \$1 of which is retained by the County Clerk for technological improvements. Under the provisions of SB 103, the County Clerk would receive an additional \$3 fee for both an initial and a renewal application for a National Rifle Association special license plate.

Since the actual number of individuals who would choose to display a National Rifle Association special license plate is unknown, each County Clerk would initially and thereafter have the additional administrative duty to store the new plates.
